

# Blind To The Truth In Plain Sight

By David J. Stewart | April 2013 | Updated August 2013

***Proverbs 12:17, “He that speaketh truth sheweth forth righteousness: but a false witness deceit.”***

I am so thankful to God for THE TRUTH. The truth is often painful and sad, but it is nevertheless the truth. The truth can be dealt with, but a lie cannot. *Proverbs 12:19, “The lip of truth shall be established for ever: but a lying tongue is but for a moment.”* Most people are woefully blind to the truth in plain sight all around them in society.

The following article does an excellent job expressing gratitude for the love of the truth...

## Hiding The Truth In Plain Sight

**The isolated people within the mainstream media who tell a lot of truth about geo-politics make me nervous. They may well be working with and serving the interests of the NWO by telling truth so as to gauge public response to it. This truth telling can also serve to vicariously vent and thereby diffuse any emotions from among the portion of the public that still thinks and could potentially initiate real revolt against increasingly oppressive government. We the people are what the NWO fears the most. Like cattle herded by cowboys, we vastly outnumber them and could easily overpower them. That's why they must monitor and manipulate us so carefully.**

**The NWO is highly concerned with the small remnant that still thinks independently and loves the ideals of the original American republic. And they're equally concerned with keeping the sleeping and dumbed down masses asleep and dumb.**

**Three truth-tellers that come to mind are Lou Dobbs (CNN), Keith Olbermann (MSNBC), and Glen Beck (FOX). They work**

for the major media propaganda machines, and yet they tell a lot of truth. Very suspicious, isn't it?! Why would their pro-NWO bosses let them get away with such revelations? Primarily because the NWO people are smart enough to know the masses never respond to truth, so they don't fear its broadcast. They are essentially hiding the truth right out in the open where it's safe.

Alex Jones may be the kingpin of NWO-hired truth tellers, though he's not overtly affiliated with mainstream news. But he's got a huge listening audience and almost a cult following now, which are big red flags. And his followers, most of whom are good Patriots, erroneously think things will somehow be OK as long as Alex voices what they're thinking. They don't realize what is being done to them and their cause of liberty in causing them to be satisfied with vicarious venting from a supposedly representative voice. Even Ron Paul may be a designated truth teller working undercover to gauge public backing of his proclaimed pro-freedom, Constitutionalist philosophy. Why am I suspicious of this? Two primary reasons. Ron Paul vehemently denies the truth about 9/11, and he is smart enough to know that it was an inside job. And he keeps getting elected to Congress.

Here is an analogous paragraph pertaining to the world of commerce to help you understand how truth and excellence are always rejected by the masses and how they embrace lies and mediocrity:

The masses only respond to deception and crap. Look at Red Bull. It tastes bad, is very unhealthy, makes you jittery, and leaves a "crash" in its wake. Yet it became a huge phenomenon around the world. On the other hand, the world's best whole food supplements that give you a healthy energy go begging. There are numerous such examples throughout history. The Metabolife craze of a few years ago is one. It was just a vastly overpriced, average herbal stimulant that had been cleverly hyped. I'm sure you can think of some more examples. To lure vast audiences and get rich in marketing, one must either tell crafty lies, sell crap, or both. In true accord with the law of attraction, mediocre people buy mediocre products.

Since most people are mediocre, savvy marketers focus on selling mediocre products to maximize their market share

and profits. Great people buy great products, but such people are only a tiny fraction of the populace. The better the product, the harder it is to sell, even if prices are equal. Beta was better than VHS, but VHS won. Mac has always been better than PC, but PC is still king.

Bill Gates is even smarter than people may think, as he knows he must keep problems in his software to make it match the mediocre masses and sell profusely. Microsoft could have long since removed the problems in their operating systems, but they leave them there on purpose in order to maximize sales. Fads, scams, and inferior products sweep the world over and over again. Think about it. Can you name one truly great product that has ever done that? Trying to spread truth and excellence is like trying to spread fire in a swamp.

That's more truth about truth and the lack of public receptivity to it. It's no different in geo-politics, and that's why in election after election, the worst candidates (aka the most skillful liars) get nominated and elected by voters. Remember, the best liars use axiomatic, politically correct truth their listeners readily accept to serve as camouflage for their lies. Political celebrities and favored candidates along with their media mouthpieces like Limbaugh, Hannity, Boortz, and O'Reilly do this to give their voters/listeners confidence in their espoused views and thereby cause them to accept the lies that are mixed in like bad laws snuck into legislative bills. In the 2008 election, the absolute worst candidates from both major parties were nominated.

The only way to possibly stop this is to require IQ, civics, and history tests to be passed before one could have the privilege of voting. Otherwise, the sheeple loyal to both corrupt parties will continue to determine the outcome of elections and corruption will continue to run rampant. There aren't enough of us Patriots to outvote the sheeple, even if we all voted the same way.

We would be better off with a monarchy, because sometimes you have a good king and sometimes you have a bad king. That would be preferable to the unconstitutional monster government of today that ensures total corruption will reign supreme no matter who is in power. Always remember that anytime someone rises to great power, prominence, or popularity, especially in politics and religion, they are

**sinister in nature to some degree. And the more popular something is, the more likely it is to be false.**

**It took me years to figure out the truth about truth, and if people only knew it, they could save themselves a lot of money and headaches. Though I certainly don't even come close to knowing everything, I am one of the scant few who loves truth above all else. Some of you who read this feel the same way, and that's why you come to this website searching for new morsels of truth. But the masses would never accept what I have presented here, firstly because it's true and secondly because it's contrary to what seems logical to them.**

**If I wrote a book about it, it would never reach many people. Great truths and great products are and have always been allocated to a miniscule minority. Count yourself both fortunate and unfortunate if you are a natural truth seeker. You have been given a love of what is true and excellent, which is a good thing. But as a result, you will be afflicted and persecuted by a world in which you are necessarily a misfit.**

The Word of God prophesies that the masses of the world will follow the Antichrist because "THEY RECEIVED NOT THE LOVE OF THE TRUTH." *2nd Thessalonians 2:10*, "And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved." Receiving the gospel of Jesus Christ means receiving the love of the truth. The gospel is THE TRUTH. Romans 1:16, says that the gospel is "the power of God unto salvation to every one that believeth." 2nd Timothy 3:5 foretold that in the last days wicked people would be religious, having a form of godliness, but denying THE POWER thereof. That power is the precious truth of the gospel of Jesus Christ. Amen! The gospel is defined in 1st Corinthians 15:1-4 as the DEATH, BURIAL and RESURRECTION from the dead of our Lord Jesus Christ. Believe it oh sinner, making the gospel your hope for Heaven, and the work is done! *John 6:28-29*, "Then said they unto him, What shall we do, that we might work the works of God? Jesus answered and said unto them, This is the work of God, that ye believe on him whom he hath sent."

**The Rulers Of The Darkness of This World Mock Us**

**Ephesians 6:12, "For we wrestle not against flesh and blood,**

**but against principalities, against powers, against the [rulers of the darkness](#) of this world, against spiritual wickedness in high places."**

The strange thing is that umpteen Hollywood movies contain the truth, mocking us in science fiction films with the very truth that the newsmedia and public deny in reality. One of the latest films to come out of Hollywood is "*Olympus Has Fallen*," starring Morgan Freeman, in which it is admitted that Wall Street has bought control of Washington D.C. for hundreds-of-millions of dollars. IT'S THE TRUTH!!! Yet the newsmedia laughs at such verifiable claims. How insane! How weird! How true! Truth is stranger than fiction!!!

The Masonic occult (rulers of darkness) love to mock us by [placing occult symbols and the truth in plain sight](#). [BELIEVE IT!](#) U.S. President Franklin D. Roosevelt (a 33rd degree Freemason) had over [100 occult symbols placed on every U.S. one-dollar bill](#). The American people are [wilfully ignorant](#) and filled with sinful pride! This is what sin does, causing people to become indifferent, calloused and lacking any genuine concern for truth and righteousness.

The 2007 Hollywood movie, "Shooter," starring Mark Wahlberg contains some very interesting things. Atop a snowy mountain range in Montana, the fictitious state's senator says to Wahlberg (who plays Swagger) in the movie...

**There are no sides. There's no Sunnis and Shiites. There's no Democrats and Republicans. There's only haves and have-nots. ...**

**This is a country where the Secretary of Defense can go on TV and tell the American public, oh, that "This is about freedom! It's not about oil!" And nobody questions him, because they don't want to hear the answer because it's a lie! There's only so many places at the table, Gunnie. Now are you on the inside, or are you on the out?**

**SOURCE: [Shooter Script - transcript from the screenplay and/or the Mark Wahlberg movie](#)**

The preceding statements are incredibly insightful. Here we see the truth in plain sight, yet appearing in a fictitious movie. It is a disturbing paradox that the newsmedia (that's supposed to tell the truth) is full of LIES and DECEPTIONS. Yet, fictitious Hollywood movies (that are supposed to be unreal) are full of TRUTH and REALISM. Literally, you'll get more truth from a science-fiction movie these days, than you'll get from the mainstream newsmedia in America. FOX NEWS ought to be called FOX LIARS!

Notice in the preceding quote from the 2007 film “Shooter” that the script writer admits the ease by which Americans are deceived. The Bush Administration claimed that the Iraqi war was about freedom, but it was really about stealing their oil. Federal Reserve chairman for 19-years, Alan Greenspan, [openly admitted that the Iraq war was mostly about oil](#). Yet, most Americans sincerely bought into the BIG LIE from The White House and the [lying newsmedia](#) that it was all about defending America's freedom. All three [mainstream news networks are little more than shameless parrots for White House propaganda](#).

Most people don't realize that the best place to hide a lie is between two truths, because the truthful part can be defended with incontestable logic. The truth is used as a cover to project the lie.

## **Media Deception: You Are Not Getting The Truth** **The Corporate Media And Network News Is Controlled And Works Against Us.**

***Truth Must Spread By Word of Mouth, By We The People, Or Else It's  
Never Told!***

A common and very effective tactic of this world's rulers of darkness is to give the public 95% of the truth to prevent them from knowing the 5%. Jesse Ventura, a purported 33rd degree Freemason, even has a popular show on conspiracy theories. Since the globalists (Illuminati) are speaking the truth about most non-essential matters, it makes them look honest, trustworthy and credible. Never, ever, trust people or entities that are in positions of money and power. As Christians we do not seek these things. The Devil's greatest tool is trickery. He tricks truly seeking people to join his cults and donate money, which is all going to the New World Order.

In reality the newsmedia are lying about critical issues like the Federal Reserve System, the total Masonic control over America's government, Zionism, and truth about the 911 attacks. Even Congressman Ron Paul, who is certainly smart enough to figure out that the 911 attacks were an inside job, denies that 911 was orchestrated by the Bush administration. The reason why is obvious when you consider how the globalists railroaded [Congressman James Traficant Jr.](#) out of congress and into prison. It is dangerous to go against the secret powers that control Washington.

***“The real rulers in Washington are invisible and  
exercise their  
power from behind the scenes.” —Justice Felix  
Frankfurter, U.S. Supreme Court***

The globalists use the newsmedia to propagate “controlled resistance,” which allows them to gauge the opinions of the public, as a barometer so-to-speak. A complete denial of the truth would be very obvious...

**Three truth-tellers that come to mind are Lou Dobbs (CNN), Keith Olbermann (MSNBC), and Glen Beck (FOX). They work for the major media propaganda machines, and yet they tell a lot of truth. I recently heard Rachael Maddow on MSNBC talking about how the Bush administration lied our nation into war against Iraq. To a naive person it would appear that Maddow is a truth-teller; but in reality she is a bisexual heathen, a globalist puppet, paid to provide misleading disinformation to the general public. Literally, the newsmedia are paid professional liars (and they are handsomely paid to deceive the public). There are certain taboo subjects which the newsmedia are banned from speaking about— one of them being the Bush administration's prior knowledge and complicity in the 911 Trade Tower attacks in New York City.

ANY jury of reasonably-minded people would find the Bush administration guilty of numerous crimes against humanity. The truth cannot be eliminated, it can only be suppressed. As long as the corrupt mainstream newsmedia keeps spoon-feeding lying misinformation and blatant lies to the public, the truth will be suppressed. The Bush administration got caught with their pants down, [orchestrating the 911 attacks](#). Thousands of pieces of evidence are now available. The truth screams for our attention, but like the Bible, it only works for you if you pick it up and pay attention to it.

It's important that Christians always remember that the Bible exposes Satan as the father of all liars, deceivers and murderers (John 8:44). Recently, the U.S. newsmedia has been maliciously fabricating scandals to confuse the public. It's kind of like the boy who cried wolf... by creating a media frenzy which pans out to be nothing in the end, or is found to be totally untrue, people lose confidence in the news. So when something worthy of our attention comes out in the news, no one takes it seriously. The Masonic powers over America want to confuse, deceive and mislead the masses of society. It's not that difficult to do. Remember, they're criminals and are going to do whatever it takes to escape rule of law, scrutiny and justice. The Illuminati are using The White House and mainstream newsmedia to create a media-circus. A good example is the Zimmerman case in Florida, which has received ridiculous coverage. You'd think nothing else was going on in the world. Here's an enlightening quote from Cicero...

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly. But the traitor moves among those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls

of government itself. For the traitor appears not traitor, he speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of a city, he infects the body politic so that it can no longer resist. A murderer is less to be feared." - Cicero, 42 B.C.

I recently saw a History Channel episode documenting the CIA's illegal drug-trafficking activities in the United States since their beginnings. Why would they allow that on TV? It's because such openness diffuses the situation. It's like when Benny Hinn was suing people and had his lawyers mailing out legal threats to anyone who tried to expose Mr. Hinn for the fraud that he is. But then NBC Nightline did an excellent job exposing Benny Hinn, making it common public knowledge, preventing Hinn from suing anyone anymore to shut them up. Now anyone can expose Hinn in light of the open public knowledge that he is a stinking fraud in so many ways!!! [PLEASE READ, "BENNY SIN" to see NBC Nightline's documentary.](#)

The truth is there if you want it, right in plain sight. Jesus confirms this truth in *Matthew 13:15-16*, "*For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes, and hear with their ears, and should understand with their heart, and should be converted, and I should heal them. But blessed are your eyes, for they see: and your ears, for they hear.*" Can your eyes see? Can your ears hear? Are you able to see THE TRUTH amongst the lies, having the understanding to discern? The Bible tells us in Proverbs 12:17 (our text verse) that speaking the truth is an act of righteousness. Wickedness must be concealed. Occult groups hide their evil. The Devil must disguise himself because he is a liar, thief and murderer (John 8:44; 10:10).

## The Greatest Truth Of All Is The Gospel

The Lord has nothing to hide. *John 18:20*, "*Jesus answered him, I spake openly to the world; I ever taught in the synagogue, and in the temple, whither the Jews always resort; and in secret have I said nothing.*" The Bible is a beautiful Book, which although brutally honest and offensive to most people, it is nevertheless THE TRUTH (John 17:17). In occult groups, you are held back from ascending to higher levels unless peer members like you and approve. In sharp contrast, ANYONE and EVERYONE is welcomed to all the goodness that God has to offer through faith in Jesus Christ. God is NOT a respecter of persons. Whether you are a Jew or Greek (Gentile) does not matter to God (Romans 10:12). The Bible promises that "WHOSOEVER" trusts upon the name of the Lord Jesus, as the Christ, will be saved (Romans 10:13; John 20:31; Galatians 3:26; Ephesians 2:8-9).

The Bible teaches that the Devil blinds people's minds to keep them ignorant of THE TRUTH of the gospel. *2nd Corinthians 4:3-4*, "*But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image*

of God, should shine unto them.” The gospel is so simple, so completely free and anyone’s for the taking if they want to be saved. This is the gift of God in Christ Jesus. The truth is in plain sight if we desire the truth.

*John 18:37, “Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice.”* It is amazing that the Bible says whosoever is “OF THE TRUTH” hears the Lord’s voice. The gospel is the truth.

Again in John 4:24 Jesus said (this time to the Samaritan woman), “God is a Spirit: and they that worship him must worship him in spirit and in truth.” God can only truly be worshipped “IN TRUTH.” False religions that deny the deity (that He is almighty God) of Jesus Christ, leading people away from the truth and into Hell. Jehovah’s Witnesses worship God in vain, because they don’t believe that Jesus is God almighty. Neither do Mormons believe in Christ’s deity. Roman Catholics elevate Mary to the same level as the Lord, perverting the way that God is worshipped. Catholics are taught to pray to Mary, to get her to sweeten Jesus up as His mother, so that the Lord will answer their prayers. That is satanic doctrine. God can ONLY be worshipped through Jesus Christ, the Son of God. That is THE TRUTH. Jesus is the way, THE TRUTH and the life (John 14:6).

THE TRUTH is very important to God, to salvation, worship, doctrine and to the Christian believer’s walk with God. The gospel is the truth. A false plan of salvation is a lie. The Galatians had become caught-up in a doctrinal lie, which perverted the gospel message. *Galatians 3:1, “O foolish Galatians, who hath bewitched you, that ye should not obey the truth, before whose eyes Jesus Christ hath been evidently set forth, crucified among you?”* The Word of God is THE TRUTH. *John 17:17, “Sanctify them through thy truth: thy word is truth.”* Obeying the truth of the gospel simply means to receive the death, burial and resurrection of Christ as full-payment for our sins. The Lord does the saving, not us. Our part is simply to believe upon the Lord.
